

## Buff - Contents

The Bullzen Buff collar is a very functional accessory that combines style and functionality, offering protection for your fishing from both the cold and the sun. This stunning collar has been designed with great attention to style, whilst offering effective protection from the sun. It features Fpu 50+ protection that absorbs and repels the sun's harmful Uva and Uvb rays, protecting your skin from sunlight and the risk of sunburn. In addition, the Buff collar is made of high quality materials that keep your neck warm during the coldest weather conditions. With the multi-fit option, you can wear it however you want, protecting your neck and face from the cold and sun while adding style to your look. With the Bullzen Buff Collar, you can enjoy your fishing in comfort, protection and style, no matter what the weather conditions.
