

Bullzen Tomahawk - Dark Fire Spinning Reel

Bullzen Tomahawk Salt Water If you are looking for a doggy-mechanism then this mechanism is the ideal choice. With features that combine ultimate durability, performance and aesthetics, this machine is all Salt Water for a lifetime in salt water. The mechanism features 8+1 SUS303 grade stainless steel bearings, offering reliable performance and salt resistance. The stainless steel reverse bearing enhances safety when fishing, while the salt-resistant aluminum construction of the body and rotor ensures long-lasting durability in the harsh saltwater conditions. The Dual Propulsion Anti-Twist Line Roller, with its dual reverse-twist action, keeps your line free from unnecessary rotational restrictions, ensuring a seamless wind-up. The deep, triple-anodized aluminum mill provides greater line capacity, while the multiple carbon fiber discs offer exceptional fishing line strength. The mechanism is also equipped with a stainless steel main shaft and gear shaft, increasing durability and reliability. The mechanism handles are made with a special Mix-Cork blend for a better feel, while the unique Precision Module mechanism ensures a smooth smooth line movement and an unforgettable fishing experience. Resisting the salt and with the perfect combination of power and aesthetics, this mechanism is your saltwater companion!

Model	Gear Ratio	Weight	Line Retrieval	Monoline capacity	Max Drag Force	Bearings
Mini 500	5.2:1	160g	60cm	PE 0.4/130m, PE 0.6/80m	3kg	8+1
Mini 800	5.2:1	170g	65cm	PE 0.8/130m, PE 1/100m	3kg	8+1
SW2000PG	5.2:1	240g	79cm	PE 2.0/240m, PE 2.5/200m	15kg	8+1
SW3000PG	5.2:1	248g	84cm	PE 2.5/290m, PE 3.0/260m	15kg	8+1
SW4000HG	6.4:1	300g	106cm	PE 3.0/290m, PE 3.5/250m	20kg	8+1
SW5000HG	6.4:1	305g	114cm	PE 3.5/270m, PE 4.0/250m	20kg	8+1
