Product Description

A collaboration of handmade shots with AZK handmade lures with coloring guidance for each shot from Hookit! Each shot has unique details such as 3D- lifelike iridescent eye wings - wings coated with holographic Foil and then passed through airbrushing for the color effect! The planer is just 15 grams armed with a reinforced Assist Hook wearing the braid that fish love! The colors of the planes are unique and there may be artistic variations since each plan is handmade and hand painted with unique detail!
